

# Marco Davide Festari

## Chief Financial Officer

Marco Davide Festari graduated in Economics of Financial Markets & Institutions from the Catholic University of the Sacred Heart in Milan. He worked in Accounting, Financial Management, and Control for international companies for four years. He has been working for Sisal since 2006, and has held many positions in Strategic Planning and Control, always actively contributing to the extraordinary operations in which our Group has been involved over the years. Acting as Head of M&A for two years, he has completed many acquisitions. He was instrumental to the development of the Business Unit - Payments & Services and to the establishment of our Payment Institution, serving as Finance & Planning Manager. Since January 2020, he has been CFO of the new Group, which he actively contributed to create.
