

## PRESS RELEASE

### **Stefania Gentile is the new Chief Executive Officer of Mooney Group**

### **Company and shareholders thank Emilio Petrone for the work he has done in Mooney**

*Milan, May 13th, 2023* - Stefania Gentile will be the new Chief Executive Officer of Mooney Group, the Italian proximity fintech held by Enel and Intesa Sanpaolo through Enel X and Isybank, and will take office on June 1st.

Stefania Gentile, currently senior advisor in PwC, consolidated a record of distinctive consulting and managerial skills and experience in different areas such as payments, IT and digital transformation, governance and business in highly complex organizations like Intesa Sanpaolo and Nexi. In her career path, which began in consulting and continued in leading companies, she held roles of increasing responsibility up to top positions such as General Manager of Mercury Payment Services.

Emilio Petrone, to whom the thanks of Enel and Intesa Sanpaolo are due for his work over the years, will leave the leadership of the company in agreement with its shareholders at the end of May, ensuring the Group's operational continuity. Together with his team, Petrone has made Mooney the main proximity fintech operating in Italy, leader in payment, banking and mobility services, with a network of about 45,000 points of sale, a major digital channel, 20 million customers and 260 million transactions by 2022.

Board Chairman Massimiliano Cesare and the entire Board welcome the new CEO, Stefania Gentile, and thank Emilio Petrone for his commitment and achievements in Mooney.

#### **MOONEY**

Mooney is the Italian proximity fintech held by Enel and Intesa Sanpaolo, through Enel X and Isybank.

It offers Payments, Banking and Mobility Services through its widespread network of about 45.000 points of sale fully integrated with the digital ecosystem.

Mooney plays an important social role by ensuring the community easy, fast and secure access to a broad range of services. In particular, it enables payment transactions - such as bills and PagoPA, issuing and recharging prepaid cards, phone top-ups -, purchase mobility and parking tickets through MooneyGo app, and access to transactional services formerly available only through bank branches - such as cash withdrawals, wire transfers and MAVs.
